Key to column headings:

+ Columns marked thus are the columns that count towards the Total

Lng. = Lightning Championship Scores

RP = Rapid Play Championship Scores

CH = Club Championship scores

C-Rds = Number of games included in the previous column (Championship)

MI = Number of Match scores included (losses not counted in this figure)

GW = Number of match games won

GD = Number of match games drawn

MT = Match Total - the aggregation of the scores in the previous two columns

Total = the total of all the '+' columns. Highest score(s) in this column win the Trophy. Ties not broken.
